Frieze Projects

Frieze Projects is a programme of artists' commissions realised annually at Frieze Art Fair. Curated by Sarah McCrory, this year it includes eight specially commissioned projects as well as the Emdash Award for emerging artists working outside the UK.

This year's programme of commissioned projects incorporates a number of unique viewpoints throughout the fair that demand a shift in viewers' perceptions, ranging from intimate encounters with aquatic creatures to an engagement with grassroots practice via internet and mobile technologies. Offered as an opportunity to work in a unique context, the artists commissioned for Frieze Projects use Frieze Art Fair as a site to realise ambitious ideas in an exceptional environment.

Frieze Projects is commissioned and produced by Frieze Foundation and supported by the Emdash Foundation and Arts Council England.
